Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the sidewalk construction along Berger Road (Highway 1310) project in Fiscal Year 2023.

The entity to receive funding for this project is the Kentucky Transportation Cabinet, Department of Highways District 1 Office, located at 5501 Kentucky Dam Road, Paducah, KY 42003.

The funding would be used to extend a sidewalk along a narrow roadway by 707 feet. The project would benefit residents and staff of the Merryman House Domestic Crisis Center who must currently walk in a busy roadway with limited sight distance for drivers to access public transportation and other destinations.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James Comer
Member of Congress
